WORLD BOOK DAY

ONYEKA

JOIN THE SOLARI AND MAKE YOUR OWN ACADEMY OF THE SUN BADGE!

INSTRUCTIONS

1. Colour in your badge – the Academy of the Sun colours are green and gold, but you can use any colours you like
2. With the help of an adult, cut out the badge around the dotted lines
3. Get some double sided sticky tape and stick it to the back of your badge
4. When you are ready, peel off the back of the tape and stick it to your shirt. You are now a student of the Academy of the Sun!

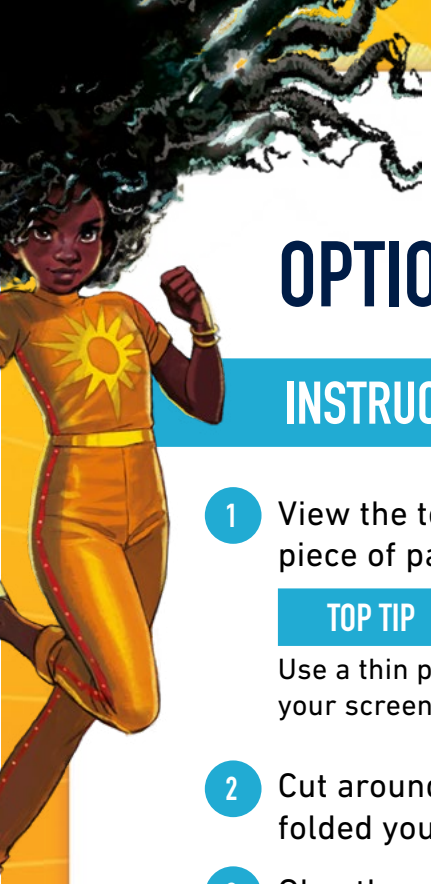
SIMON & SCHUSTER

TOP TIP

To make it extra sturdy glue it to a piece of card



ONYEKA

NO PRINTER, NO PROBLEM!

OPTION 1

INSTRUCTIONS

1. View the template on your digital device (tablet, phone, etc.), place your piece of paper over the screen and trace the badge outline with a pencil.

TOP TIP

Use a thin piece of paper or some leftover baking paper from the kitchen! Make sure your screen brightness is turned up so you can see the outline.

2. Cut around the outline you've drawn to create your badge shape. If you've folded your paper, unfold this after cutting to reveal your badge!
3. Glue the paper with the badge outline onto an empty cereal box or piece of cardboard, and with adult supervision, carefully cut around this.
4. Get creative! Decorate your badge using colourful pencils, pens or paint. The Academy of the Sun colours are green and gold, but you can use any colours you want!
5. Ask an adult to help stick some double sided sticky tape to the back.
6. Stick the badge on your T-shirt or jumper and become a student of the Academy of the Sun just like Onyeka!

TOP TIP

Use a blue T-shirt or jumper to match the official uniform of the Academy of the Sun

YOU WILL NEED:

- A digital device (tablet, phone, etc)
- A thin piece of A4 paper or baking paper
- An empty cereal box or piece of cardboard
- Glue
- Colourful pencils, pens or paint
- Double-sided sticky tape or normal sticky tape rolled up in a loop. This is for sticking to your clothes

CHOOSE YOUR SUPERHERO!

- Who is your favourite superhero? Think about your favourite books which feature superhero characters.
- What superhero powers do they have? Are they goodies or baddies? Note down some ideas to help you create your own superhero character.

NO PRINTER, NO PROBLEM!

OPTION 2

INSTRUCTIONS

1. Find some cardboard, this could be an old cereal box or leftover cardboard from a delivery parcel.
2. Use something round to trace onto the cardboard. This could be a plate, a bowl, or cup – anything round works! Carefully cut around the outline, with adult supervision.
3. Get creative! Copy the design of the badge and decorate it with colourful pencils, pens, or paint. The Academy of the Sun colours are green and gold, but you can use any colours you want!
4. Ask an adult to help stick some double sided sticky tape to the back.
5. Stick the badge on your T-shirt or jumper and become a student of the Academy of the Sun just like Onyeka!

TOP TIP

Use a blue T-shirt or jumper to match the official uniform of the Academy of the Sun

YOU WILL NEED:

- Something round (plate, bowl or cup)
- Scissors
- An empty cereal box or piece of cardboard
- Colourful pencils, pens or paint
- Double-sided sticky tape or normal sticky tape rolled up in a loop. This is for sticking to your clothes

CHOOSE YOUR SUPERHERO!

- Who is your favourite superhero? Think about your favourite books which feature superhero characters.
- What superhero powers do they have? Are they goodies or baddies? Note down some ideas to help you create your own superhero character.
